Objective

Super admins, Time & Attendance admins, and designated time entry approvers can add a time entry to the timesheet of a worker under their purview.

Add a time entry to a worker's timesheet

The instructions for how to add a time entry to a worker's timesheet vary depending on where you're viewing the time entry:

- The new Timesheets experience
- The legacy Timecards experience

Add a time entry to a worker's timesheet in the new Timesheets experience

To add a time entry to a worker's timesheet, follow these steps:

1. From the main sidebar, select **Time**.
2. From the *Time* sidebar, select **Timesheets**.
3. Use the search and filters to narrow down the list of timesheets and click the row for the worker's timesheet for which you want to add a time entry.
4. Click in the *Start* cell where you want to add a clock-in.

Tip: If there is already a time entry for the day you want to add a time entry to, for example, the individual worked a split shift that day, hover over the date cell, click the **plus icon**, and select **Time entry**.

5. Type in or select the appropriate clock-in time.

6. Click in the *End* cell where you want to add a clock-out.
7. Type in or select the appropriate clock-out time.

8. Optionally, if you want to add time entry details, such as a break, job, or schedule, hover over the *Details* cell, and click the **more icon** (three stacked dots) that appears.

Details	Paid	Worked
✕ 23 min 	7.50	7.50
✕ 9 minutes		7.50
✕ 4 minutes		7.50
✕ 24 minutes		7.50
✕ 10 minutes		7.50
✕ 19 minutes	7.50	7.50

-  Break >
-  Enter job details
-  Schedule >
-  View Change History
-  Delete time entry

- i. Select the action you want to take:

- **Break:** Specify whether you want to add a meal or a rest break and complete the break details.
- **Enter job details:** Click **Enter job details** in the *Details* cell and complete the job details.
- **Schedule:** Select from the schedules for which the worker is a member.

- ii. Click **Save**.

9. Click **Save** in the far right of the row.

Tip: In addition to adding a time entry, you can also add time off from a worker's timesheet. Hover over the date cell, click the **plus icon**, and select **Add time off**. Learn more about the steps from there in this article about [submitting a time off request on behalf of an employee](#).

Add a time entry to a worker's timesheet in the legacy Timecards experience

To add a time entry to a worker's timesheet in the legacy Timecards experience, follow these steps:

1. From the main sidebar, select **Time**.
2. From the *Time* sidebar, select **Timecards**.
3. Select the **Timecards** tab.
4. Click the name of the employee you want to add a timecard for.
5. Click **New entry**.
6. **Time zone**: Indicate the timezone for the worker's time entry.
7. **Clock in date**: Indicate the date the worker started working.
8. **Clock in time**: Indicate the time the worker started working.
9. **Clock out date**: Indicate the date the worker stopped working.
10. **Clock out time**: Indicate the time the worker stopped working.
11. Click **Add time**.
12. Click **Add job** to associate the shift with a job on the timecard. Populate the table by selecting the job(s) and inputting the *Start time*, *End time*, *Duration*, and/or *Percentage* of the shift worked in that job code. Click + **Add job** to add additional jobs.
13. Click **Add breaks** to record the shift's breaks on the timecard.
14. Click **Save changes**.
